

Suggested Toy List

Thank you for wishing to contribute to our toy drive. The toys that are collected will be sorted and packed for our centers to distribute to our children. While all donations are appreciated and utilized, we prefer receiving toys that are \$5 to \$10 in value so that everyone receives something equally wonderful. Stuffed toys are adorable, but many children cannot enjoy them due to allergies. The following is a suggested list of toys that are most appropriate & appreciated.

INFANTS-1 YEAR

Baby Shoes
Baby Sweater
Bath Toys
